

The Department of Mathematics at National Tsing Hua University of Taiwan invites applications for all levels of faculty positions in pure and applied mathematics. Review of applications will begin immediately. Applications received by December 20, 2018 are given full consideration for the last round selection, but all applications are considered until positions are filled. Send signed cover letter, CV, research statement, three letters of recommendation, copies of publications to:

Chairman, Department of Mathematics,
National Tsing Hua University,
No. 101, Section 2, Kuang-Fu Road, Hsinchu
Taiwan 30013
